Care Leadership and Management

level 5

Helping you develop your management skills

This apprenticeship complements the Intermediate and Advanced frameworks in Health and Social Care. This Level 5 higher apprenticeship is appropriate if you are working as Adults' Residential Managers, Adults' Managers and Adults' Advanced Practitioners.

It covers the social care sector including private providers, local authorities and voluntary organisations.

Delivery

You will attend monthly workshops and your assessor will meet with you regularly in the workplace.

Entry requirements

Apprentices can be existing or new members of staff.

To become an apprentice with us, candidates must:

- Be legally allowed to work in the UK
- Have lived in the UK for the last three years
- Not be qualified at or above Level 4 e.g a HNC
- Pass a short assessment for maths and English

Course duration

The Level 5 Higher Apprenticeship in Care Leadership and management will last for 12-18 months.

Apprenticeship framework

- Level 5 Diploma in Leadership for Health & Social Care

Course Content

Your assessor will assist you to choose the most appropriate units from the qualification, totaling 90 credits. You'll also complete a research project.

Progression

Upon completion of this course you may progress onto further qualifications specific to your work.
