

A Skills for Care endorsed 'Centre of Excellence' and finalist for the Skills for Care Accolades 2016/17 'Best endorsed provider of learning and development', ACC is a membership led education and learning provider, supporting outstanding approaches to learning and development in the care industry.

ACC courses, created in true partnership with our care provider membership and care industry experts, focus on sharing best practice via the power of storytelling and visual learning.

Courses are based around high definition television programmes, featuring real people and real care workers which intentionally highlight the human face of care.

All courses are supported by a wealth of learning resources that ensure best practice is embedded.

90+ courses for both residential and homecare providers, cover a wide range of subjects including:

Care Certificate – To meet the required 15 standards and deliver an effective, robust and thorough induction

Mental Health – Dementia, Depression, Bipolar and Schizophrenia

Care and Clinical – Diabetes, Stroke, Arthritis, Parkinson's, Dysphagia, Wound care, Oral Hygiene, Bathing and Grooming

End of Life Care – Grief and Loss, Communication, Symptom Control

Risk Management – Manual Handling, Infection Control, Safeguarding, Falls Prevention, COSHH

Wellbeing – Person Centred Care, Dignity in Care, Cultural Diversity, Equality and Inclusion

Human Resources – Effective Supervision, Effective Written Documentation, Duty of Care, Teamwork, 5* Customer Service

Advanced Practice – courses for Registered Nursing staff and senior care workers including Use of Syringe Drivers, Managing Urinary Catheters, Administering Injections

Unique to the sector, ACC broadcast live courses throughout the year directly from our UK studio to our member organisations, covering a range of topics.

At the end of each live broadcast, viewers have the opportunity to speak to the course expert live in the studio, providing unprecedented access for managers and care staff to advice from recognised industry experts.

ACC's newly launched LMS provides all the tools you'll need to plan/record training in order to provide compliance reports for the CQC. Yet our focus is not compliance, we're interested in quality of education to support our members to deliver outstanding care.
