

2019/20 Pan-London Nursing Home AQP cost model re-development

Overview

The Pan-London CHC in nursing homes AQP contract (Nursing Home AQP) cost model and price structure is being updated and re-developed for 2019/20.

The update and re-development will be informed with input from NHS and Local Authority commissioners and nursing home providers through a series of sourcing group meetings.

Timeline

Sourcing group meetings schedule

The meetings will be for 2 hours and will take place at **Stephenson House, 75 Hampstead Road, London, NW1 2PL**.

Meeting materials will be emailed to participants in advance of each meeting, and meeting notes will be circulated by email following each meeting.
